

- Professional Development:**
- Participate in professional learning community
  - Connect with Rider University education professors
  - Promote self-directed professional development
  - Provide authentic opportunities for action research
- Focus on Teaching and Learning:**
- What is essential for students to learn?
  - How will we know they learned?
  - What do we do if they do not learn?
  - What do we do if they already know it?
- Teaching and Learning in the 21st Century:**
- Learn the value of collaborative work
  - Implement use of technology
  - Become reflective teachers and evaluators
